# Telephone Cable

RND connect

Features

• Perfect for LAN (local area network) connections
• Clear and precise communication
• For use in signal control systems, networks, DSL phone cable services
• RoHS and REACH compliant

Specification

Connection A	RJ45 8P8C Plug
Connection B	RJ45 8P8C Plug
Cable Design	Flat
Cable Length	2 m
Conductor Material	Bare Copper
Insulation Diameter	0.9 mm
Insulation Colours	White/Orange, Orange, White/Green, Green, Blue, White/Blue, White/Brown, Brown
Jacket Colour	Black
Jacket Material	PVC
Jacket Diameter	7.1 x 2.2 mm
Insulation Resistance	20 MOhm
Conductor Resistance	6 Ohm max.
